 **Gravatar** A Globally Recognized Avatar

Un Gravatar è una immagine che ti segue di sito in sito ed appare accanto al tuo nome quando fai qualche cosa come commentare o scrivere su un blog. Gli avatar ti aiutano ad identificare i tuoi commenti sui blog e sui forum web, quindi perchè non su ogni sito??

Underneath these fields, there is a "Connect with:" section with three buttons: "Facebook", "Google", and "Twitter". At the bottom of this section, there is a checkbox labeled "Ricordami" and a "Login" button. Below the main form area, there is a link "Registrati" and a link "Hai dimenticato la tua password?". At the very bottom, there is a link "Torna a NerdNET".
